## Reason Code Description

CO=Contractual Obligation, OA=Other Adjustment, PI=Payer Initiated, PR=Patient Responsibility

|       |                                                                                                                                                                                                                                                                                                                                                                                          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CO45  | Charge exceeds fee schedule/maximum allowable or contracted/legislated fee arrangement. Usage: This adjustment amount cannot equal the total service or claim charge amount; and must not duplicate provider adjustment amounts (payments and contractual reductions) that have resulted from prior payer(s) adjudication. (Use only with Group Codes PR or CO depending upon liability) |
| CO226 | Information requested from the Billing/Rendering Provider was not provided or not provided timely or was insufficient/incomplete. At least one Remark Code must be provided (may be comprised of either the NCPDP Reject Reason Code, or Remittance Advice Remark Code that is not an ALERT.)                                                                                            |
| N706  | Missing documentation.                                                                                                                                                                                                                                                                                                                                                                   |
| PR3   | Co-payment Amount                                                                                                                                                                                                                                                                                                                                                                        |
| PR227 | Information requested from the patient/insured/responsible party was not provided or was insufficient/incomplete. At least one Remark Code must be provided (may be comprised of either the NCPDP Reject Reason Code, or Remittance Advice Remark Code that is not an ALERT.)                                                                                                            |
| N619  | Coverage terminated for non-payment of premium.                                                                                                                                                                                                                                                                                                                                          |
