UPMC Health Plan Provider Instructions for Provider Disputes

Contracted and noncontracted provider disputes (except noncontracted Medicare provider appeals)

Your right to dispute

If you disagree with a decision by the Health Plan to deny coverage of care or services, you have the right to appeal that decision. Appeals fall into two categories: Administrative (nonmedical necessity) and Medical Necessity.

How to initiate an appeal

Submit a written request for an Administrative or Medical Necessity Appeal within 30 business days of the denial notification. Please include the reason for the appeal and a copy of the medical record or other supporting documentation. The request for appeal should clearly state why and on what basis the provider wishes to appeal.

The request for appeal should be mailed to:

Provider Appeals
UPMC Health Plan
PO Box 2906
Pittsburgh, PA 15230-2906

Administrative Appeal (nonmedical necessity) – A committee of one or more Health Plan employees decides the outcome of Administrative Appeals. The committee makes a decision within 60 business days. All decisions are final. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision.

First-Level Medical Necessity Appeal – A physician who was not involved with the initial determination will review your appeal. The physician will determine if additional information has been presented that supports a reversal of the denial. A decision will be made within 30 business days of receipt of the appeal request. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision.

Second-Level Medical Necessity Appeal – If you do not agree with the outcome of the First-Level Medical Necessity Appeal, you may submit a written request for a Second-Level Appeal by following the procedure described in the How to Initiate an Appeal section of these instructions. A decision will be made within 60 business days of receipt of the appeal. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision.

Expedited Appeal – If you feel that the member's life, health, or ability to regain maximum function would be in jeopardy if the requested care or service is delayed by the usual review process, you may request an expedited review. A decision will be rendered as timely as the condition requires, but no later than 48 hours after the review is requested.

For expedited appeals, the provider will need to fax the expedited certification and supporting documents to 412-454-7920. They should call Provider Services at **1-866-918-1595** to notify them that an expedited appeal is being submitted. Please also note that there are separate forms for medical and pharmacy expedited appeals; if the provider does not submit the expedited certification with their appeal, it will be worked within the standard time frame.

For additional information regarding the provider dispute resolution process, please refer to the Provider Manual located at upmchealthplan.com. If you have questions about your right to appeal or the procedure to file an appeal, or wish to request a hard copy of this information, please contact your Network Management representative or call Provider Services at **1-866-918-1595**.

Standard appeals can also be emailed to hptempproviderappeal@upmc.edu.

Noncontracted Medicare provider appeal

A noncontracted provider is permitted to file a standard appeal for a denied claim only if the noncontracted provider completes a waiver of liability statement, which provides that the noncontracted provider will not bill the enrollee regardless of the outcome of the appeal.

Appeals received without the waiver of liability or other appropriate documentation will result in dismissal of your appeal.

The appeal must be in writing and sent within 60 calendar days from the date of the notice of the organization determination. Include the reason for the appeal and other documentation that supports the provider's request.

The request for appeal should be mailed to:

Member Appeals
UPMC Health Plan
PO Box 2939
Pittsburgh, PA 15230-2939

A decision will be made within 60 calendar days of receipt of the appeal. If the plan's decision affirms, in whole or in part, its adverse organization determination, the complete file will be sent to the independent review entity contracted by CMS.

Please use the link below to access the waiver of liability statement.

cms.gov/Medicare/Appeals-andGrievances/MMCAG/Downloads/Appendix-7-Waiver-ofLiability-Notice.pdf

Understanding Your TRICARE Claim Remittance

This TRICARE Remittance serves as a record of claims paid or denied, so be sure to retain a copy for your records.

A. <u>TRICARE Eligibility:</u> To receive TRICARE benefits, the patient must be eligible on the Defense Enrollment Eligibility Reporting System (DEERS). Eligibility is based on the sponsor's Social Security Number (SSN). If the claim was denied for lack of eligibility, verify the claim was submitted with the correct sponsor's SSN. If the correct SSN was submitted <i>and</i> the patient was <i>ineligible</i> at the time of service, please ask the patient to call the DEERS office toll-free: 844-886-2206. B. <u>Timely Filing:</u> TRICARE guidelines require claims to be filed within one year from the date of service <i>or</i> the discharge date for inpatient services. Claims are denied if received after the deadline. You may request a timely filing waiver by submitting documentation that verifies one of the following: 1. Retroactive eligibility 2. Mental incompetence when no legal guardian was appointed 3. The date of the Explanation of Benefits from the patient's other health insurance is within 12 months of your submission 4. Proof of claims submission before the filing time limit Send your request for a timely filing waiver to: TRICARE East Region ATTN: Correspondence PO Box 202147 FLORENCE, SC 29502-2147 Fax: 877-489-0011	D. <u>Right To Appeal:</u> If you disagree with the determination on your claim, you have the right to request a reconsideration. Your signed, written request must state the specific matter with which you disagree and MUST be sent to the below Fax number or address No Later Than (NLT) 90 days from the date of this notice. If the postmark on the envelope is not legible, then the date of receipt is deemed the date of filing. Include a copy of this notice. On receiving your request, all TRICARE claims for the entire course of treatment will be reviewed. Only the following individuals may file an appeal: • The beneficiary (including minors) • The parent or guardian representing a minor beneficiary • The non-network participating provider of services • A representative appointed by the proper appealing party (Must be in writing and be signed by the proper appealing party, or the representative must be court-appointed) Please submit appeal requests by visiting HumanaMilitary.com/appeals and follow the instructions to submit your appeal online. Or you may fax your request to 877-850-1046. NOTE: Claims denied for Active Duty Service Members require a DHA waiver. You must secure a DHA waiver before we can reconsider paying a service not covered by TRICARE. To obtain a waiver, contact your Service Project Officer at your Uniformed Services Headquarters.	
C. <u>Patient Deductibles:</u> TRICARE Select patients must meet their calendar year deductible based on the sponsor's pay grade. Group B Retirees have a separate out-of-network deductible. The out-of-network deductible is separate from the in-network deductible and must be paid in addition to the in-network deductible. TRICARE Prime patients do not have a deductible unless they choose the <i>Point of Service (POS)</i> option. POS allows a patient to see any certified TRICARE provider without coordinating an authorization or referral through their Primary Care Manager (PCM), but the patient will be responsible for paying 50% of the cost.
