Total Paid to Provider : \$1,529.78

45 - Charge exceeds fee schedule/maximum allowable or contracted/legislated fee arrangement. Usage: This adjustment amount cannot equal the total service or claim charge amount; and must not duplicate provider adjustment amounts (payments and contractual reductions) that have resulted from prior payer(s) adjudication.

This VA CCN remittance serves as a record of claims paid or denied, so be sure to retain a copy for your records. This payment is considered payment in full for services provided.

VA CCN Eligibility: To receive VA CCN benefits, the patient must be a Veteran enrolled in the VA's patient enrollment system and have an Approved Referral for care in the community.

Authorization/Referrals: In order to be reimbursed by VA CCN, providers are required to obtain authorization before performing health care services, except in the case of Urgent or Emergency Care. The provider must submit a request for authorization within 72 hours of Emergency Care.

Timely Filing: VA CCN guidelines require claims to be filed within 180 days from the date of service or the discharge date for inpatient services.

Balance Billing: Billing or balance billing the Veteran is prohibited and violates the VA CCN rules.

Right to Appeal: If you disagree with the determination on your claim, you have the right to request a reconsideration of your claim. Your signed, written request must state the specific matter with which you disagree and MUST be sent no later than 90 days from the date of denial. If the postmark on the envelope is not legible, then the date of receipt is deemed the date of the filing. Include a copy of this notice. On receiving your request, all VA CCN claims for the entire course of treatment will be reviewed. Only a network participating provider of services may file a reconsideration request. You may fax or mail your request to:
