Importance: High

Hi Nicole,

It appears that the payment went through today for 7/2. I am assuming it tried again since it did not go through on 7/1.
So we will not be owing the \$11.90, but will be a refund.....

Good Morning,

Ok, this will not generate if it declined. If we are to still pay the \$11.09, please provide updated CC or I guess send a Statement for the balance?
Please advise.

Thank you,

Hello

The balance remaining on this account is actually only 11.09 as of today. so thankfully this denied because then it would have been in credit status.
