Messages

- CO45 Charge exceeds fee schedule/maximum allowable or contracted/legislated fee arrangement. Usage: This adjustment amount cannot equal the total service or claim charge amount; and must not duplicate provider adjustment amounts (payments and contractual reductions) that have resulted from prior payer(s) adjudication. (Use only with Group Codes PR or CO depending upon liability)
- PR3 Co-payment Amount

## IMPORTANT INFORMATION ABOUT YOUR REMITTANCE

- The enclosed Health Care Remittance Advice (paper remit) coincides with the check or electronic payment for the referenced claims
- Electronic Funds Transfer, also known as an ACH Direct Deposit, provides an easy method of depositing funds automatically into your bank account. For more information please visit [providers.highmark.com](http://providers.highmark.com)
- The Provider Remittance form on the front of this document provides detailed payment data based on the information provided to us.
- If all or part of the claim has been denied, consult the Claim Adjustment Reason Code (CARC) and or the Remittance Advice Remark Code (RARC). To find the text of the CARC or RARC code, go to Washington Publishing Company at [www.wpc-edi.com/reference](http://www.wpc-edi.com/reference).
- If you are not satisfied with the explanation given, and wish to appeal, please access the Provider Appeal form that can be found on our website at [providers.highmark.com](http://providers.highmark.com). Please include the subscriber identification number and the claim number from the front of this remittance. Include any additional information that will support your reason for appealing our claims processing action, such as emergency room reports, operative reports, letter of medical necessity, etc.
- In some cases, we may need to have our medical consultants review the claim. If you disagree with our consultants, we will
