Message Key Code	Description
CO/45	Charge exceeds fee schedule/maximum allowable or contracted/legislated fee arrangement. Usage: This adjustment amount cannot equal the total service or claim charge amount, and must not duplicate provider adjustment amounts (payments and contractual reductions) that have resulted from prior payer(s)
CO/22	This care may be covered by another payer per coordination of benefits.

For all claims with dates of service on or after 1/1/22 which qualify for protections of Title I of Division BB of the of the Consolidated Appropriations Act, 2021 (also known as the "No Surprises Act"), the qualified payment amount (QPA) issued applies for purposes of the recognized amount and/or cost sharing. This QPA was determined in accordance with Requirements Related to Surprise Billing, 5 CFR Part 890; 26 CFR Parts 1 and 54; 29 CFR Parts 2510 and 2590; 45 CFR Parts 144, 147, 149, and 156. Members cannot be balanced billed for these claims.

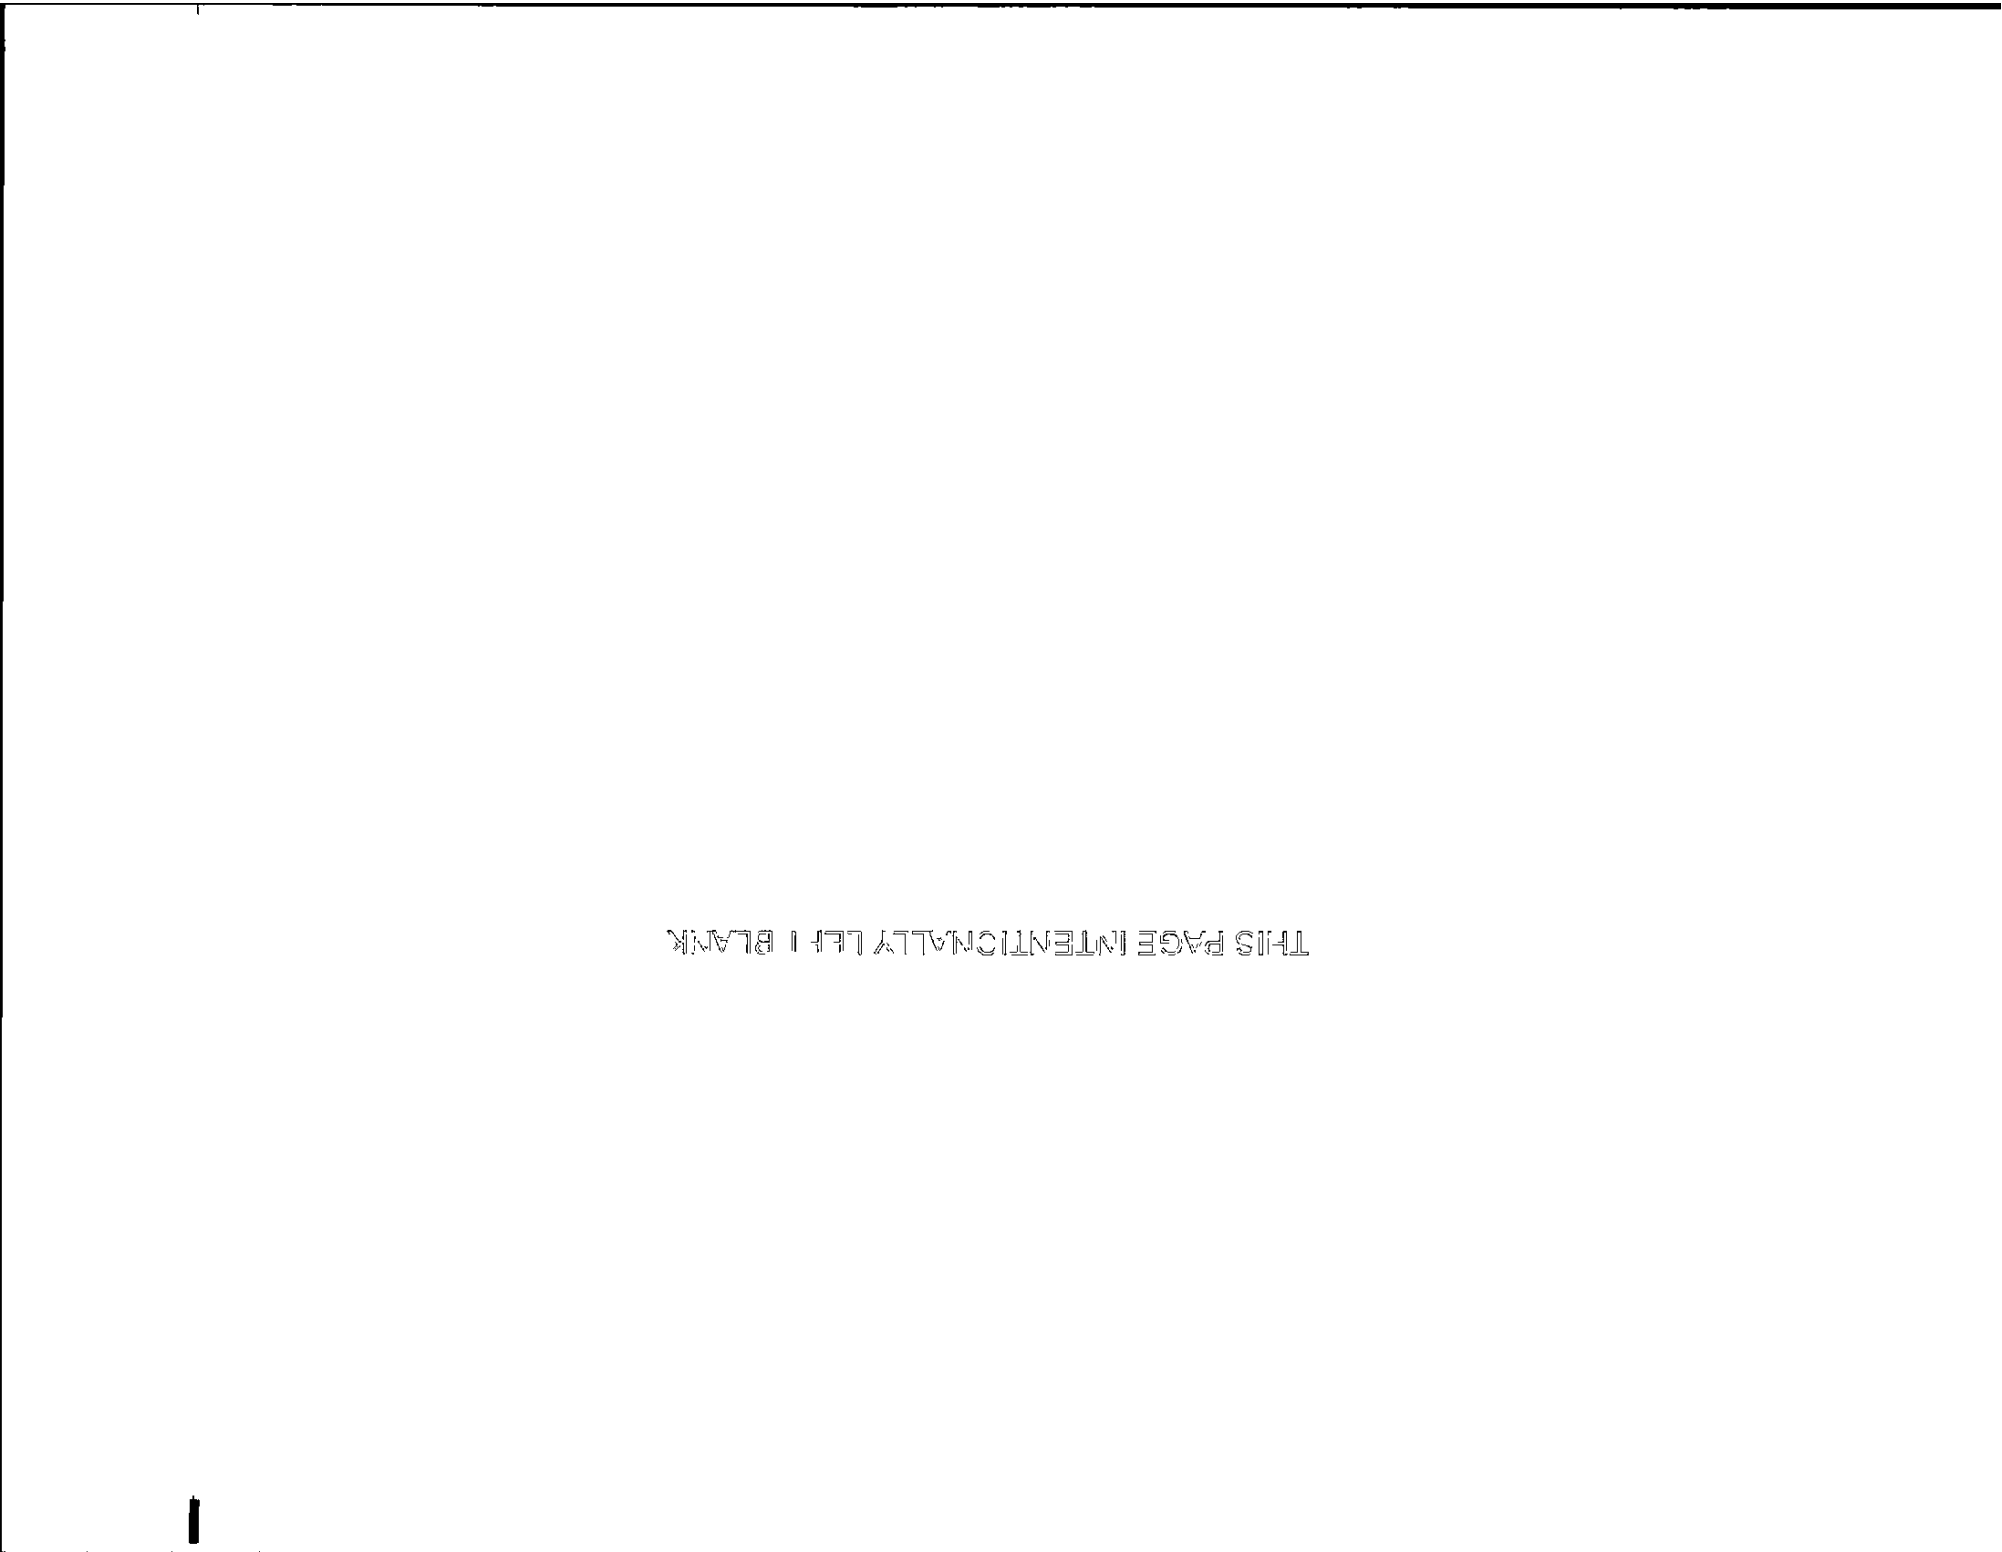

If you wish to initiate a 30-business day open negotiation period for determining the total payment once your claim has processed, please complete the standard notice of initiation of open negotiation form within 30 business days of payment and submit in accordance with the specific details as described in the message code included within the EOP. If this open negotiation does not result in a determination, you may initiate a formal Independent Dispute Resolution within 4 business days of the end of the 30-business day negotiation period.

DuplexProof is a suite of security features that protect the integrity of the document and prevent unauthorized access to the information contained within it.

Key features include:

- **Document Integrity:** DuplexProof uses a unique digital signature to verify the document's integrity, ensuring it has not been tampered with or altered.
- **Access Control:** DuplexProof allows you to restrict access to the document, ensuring only authorized users can view or edit the content.
- **Document Tracking:** DuplexProof provides a detailed audit trail of all document activity, including who accessed the document and when.
- **Document Archiving:** DuplexProof allows you to archive documents, ensuring they are preserved for future reference.

For more information about DuplexProof and its features, please visit our website at www.duplexproof.com.
