UPMC Health Plan Provider Instructions for Provider Disputes

<u>Contracted and noncontracted provider disputes (except noncontracted Medicare provider appeals)</u> Your right to dispute If you disagree with a decision by the Health Plan to deny coverage of care or services, you have the right to appeal that decision. Appeals fall into two categories: Administrative (nonmedical necessity) and Medical Necessity. How to initiate an appeal Submit a written request for an Administrative or Medical Necessity Appeal within 30 business days of the denial notification. Please include the reason for the appeal and a copy of the medical record or other supporting documentation. The request for appeal should clearly state why and on what basis the provider wishes to appeal. The request for appeal should be mailed to: Provider Appeals UPMC Health Plan PO Box 2906 Pittsburgh, PA 15230-2906 Administrative Appeal (nonmedical necessity) – A committee of one or more Health Plan employees decides the outcome of Administrative Appeals. The committee makes a decision within 60 business days. All decisions are final. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision. First-Level Medical Necessity Appeal – A physician who was not involved with the initial determination will review your appeal. The physician will determine if additional information has been presented that supports a reversal of the denial. A decision will be made within 30 business days of receipt of the appeal request. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision. Second-Level Medical Necessity Appeal – If you do not agree with the outcome of the First-Level Medical Necessity Appeal, you may submit a written request for a Second-Level Appeal by following the procedure described in the How to Initiate an Appeal section of these instructions. A decision will be made within 60 business days of receipt of the appeal. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision. Expedited Appeal – If you feel that the member’s life, health, or ability to regain maximum function would be in jeopardy if the requested care or service is delayed by the usual review process, you may request an expedited review. A decision will be rendered as timely as the condition requires, but no later than 48 hours after the review is requested.	For expedited appeals, the provider will need to fax the expedited certification and supporting documents to 412-454-7920. They should call Provider Services at 1-866-918-1595 to notify them that an expedited appeal is being submitted. Please also note that there are separate forms for medical and pharmacy expedited appeals; if the provider does not submit the expedited certification with their appeal, it will be worked within the standard time frame. For additional information regarding the provider dispute resolution process, please refer to the Provider Manual located at upmchealthplan.com. If you have questions about your right to appeal or the procedure to file an appeal, or wish to request a hard copy of this information, please contact your Network Management representative or call Provider Services at 1-866-918-1595. Standard appeals can also be emailed to hptempproviderappeal@upmc.edu. <u>Noncontracted Medicare provider appeal</u> A noncontracted provider is permitted to file a standard appeal for a denied claim only if the noncontracted provider completes a waiver of liability statement, which provides that the noncontracted provider will not bill the enrollee regardless of the outcome of the appeal. Appeals received without the waiver of liability or other appropriate documentation will result in dismissal of your appeal. The appeal must be in writing and sent within 60 calendar days from the date of the notice of the organization determination. Include the reason for the appeal and other documentation that supports the provider’s request. The request for appeal should be mailed to: Member Appeals UPMC Health Plan PO Box 2939 Pittsburgh, PA 15230-2939 A decision will be made within 60 calendar days of receipt of the appeal. If the plans decision affirms, in whole or in part, its adverse organization determination, the complete file will be sent to the independent review entity contracted by CMS. Please use the link below to access the waiver of liability statement. <u>cms.gov/Medicare/Appeals-andGrievances/MMCAG/Downloads/Appendix-7-Waiver-ofLiability-Notice.pdf</u> For additional information please contact Provider Services at 1-866-918-1595.

Appeal Rights, Continued

Additionally, you may file a complaint with the Maryland Insurance Administration, without having to first file an appeal with the Plan, if you or your provider can show a compelling reason to file a complaint, including that a delay in receiving the health care service could result in loss of life, serious impairment to a bodily function, or serious dysfunction of a bodily organ or part, or the member remaining seriously mentally ill with symptoms that cause the member to be a danger to self or others.

Consumer Assistance is Available

THERE IS HELP AVAILABLE TO YOU, OR YOUR REPRESENTATIVE, IF YOU WISH TO DISPUTE THE PLAN'S DECISION ABOUT PAYMENT FOR HEALTH CARE SERVICES.

You may contact the Health Education and Advocacy Unit (HEAU) of Maryland's Consumer Protection Division, a Maryland State agency, at the following address:

Contracted and noncontracted provider disputes (except noncontracted Medicare provider appeals)

If you disagree with a decision by the Health Plan to deny coverage of care or services, you have the right to appeal that decision. Appeals fall into two categories: Administrative (nonmedical necessity) and Medical Necessity.

Submit a written request for an Administrative or Medical Necessity Appeal within 30 business days of the denial notification. Please include the reason for the appeal and a copy of the medical record or other supporting documentation. The request for appeal should clearly state why and on what basis the provider wishes to appeal.

Provider Appeals
UPMC Health Plan
PO Box 2906
Pittsburgh, PA 15230-2906

First-Level Medical Necessity Appeal – A physician who was not involved with the initial determination will review your appeal. The physician will determine if additional information has been presented that supports a reversal of the denial. A decision will be made within 30 business days of receipt of the appeal request. If the denial is upheld, you will be notified in writing of the result within 10 business days of the decision. If the denial is reversed, the claim will be adjusted within 30 business days of the date of the decision.

Expedited Appeal – If you feel that the member’s life, health, or ability to regain maximum function would be in jeopardy if the requested care or service is delayed by the usual review process, you may request an expedited review. A decision will be rendered as timely as the condition requires, but no later than 48 hours after the review is requested.

Standard appeals can also be emailed to hptempproviderappeal@upmc.edu.
